MESSAGE: Re: Requesting a Refund of \$920.00 for an overcharged extension fee.
Application No. 09/872,234 (50277-1512) "Techniques For Automatically Installing And Configuring Database Applications"

On September 26, 2008, USPTO automatically posted to our customer account a charge for the amount of \$1,050.00, justifying the charge as a fee for a three-month-extension. We believe that we were overcharged.

According to our records, we should have been charged a fee for only a one-month extension, which is \$130.00. We should not have been charged the fee for three month-extension.

The difference between the incorrect charge and the correct charge is $\$1050 - \$130 = \$920$. This is the amount we request be refunded to our customer account (# 501302)

Please let me know if you have any questions.

Very truly,

Gosia Kulczycka
